Welcome

Project Overview

PROJECT CORRIDOR

PROJECT OVERVIEW

Revive I-70 will improve I-70 in Wayne County.

The project stretches 20+ miles from west of Cambridge City to the IN/OH state line.

It will reduce congestion, improve traffic flow and improve safety.

Added travel lanes, bridge improvements and interchange improvements are expected.

Improvements are planned for 41 bridges in the project area.

Pavement replacement and drainage improvements are expected.

The project will be divided into three contracts for project delivery.

PROJECT DELIVERY

Contract

- Eastern portion of the project area Extends from west of US 35 to the Ohio state line About eight miles long
 - Expected to let in early 2024
 Construction expected to begin by late 2024
 - Added travel lanes, interchange modifications and pavement replacement

Contract 2

- Western portion of the project area
- Extends from west of SR 1 to west of Centerville
- Nearly nine miles long
- Expected to let in fall 2024

Contract 3

- Center portion of the project area
- Extends from west of Centerville to US 35
- Nearly four miles long
- Expected to let in 2026 or 2027

PROJECT DELIVERY

Anticipated Improvements

ANTICIPATED IMPROVEMENTS

Next Steps

WHAT TO EXPECT

- // Environmental analysis and preliminary design are underway.
- // The draft environmental document is expected in fall 2023.
- // A public hearing and formal comment period will be held.
- Contract 1 is expected to let in early 2024.
- Construction is expected to begin in late 2024.
- Construction duration will depend on phasing and future funding.
- // I-70 is expected to remain open to traffic during construction, with two lanes open in each direction during peak travel times.
